SUBJECT DATA

Subject Contextualization
Contribution to the professional profile
<p>The main purpose of this subject is to provide students with the theoretical and practical bases of CLIL (Content Language Integrated Learning) in order to promote foreign language learning and teaching through contents at different teaching levels. Moreover, we want our students to be able to identify, analyze and create CLIL materials, as well as to assess the knowledge acquired.</p> <p>The theoretical and practical contents of this subject enable the students for the basic teaching of English as a second language in Infant Education as it provides them with knowledge to use English in the classroom, allow international exchanges and broaden their education in English speaking countries.</p>

Requirements

This subject does not have prerequisites but it is highly recommended that the student have a minimum level of B2, according to the Common European framework of References for Languages.
