

UN VIAJE A LA LIBERTAD

San Juan de la Cruz

Segunda Edición

A photograph of a seagull in flight against a bright sun with lens flare. The sun is positioned in the upper right quadrant, creating a large, bright white circle with radiating lines and colorful lens flare effects in shades of blue, purple, and yellow. The seagull is in the lower right quadrant, shown in profile with its wings spread wide. The background is a clear, light blue sky with some faint, wispy clouds. The overall mood is bright and hopeful.
