

Research Handbook on EU Migration and Asylum Law

Research Handbooks in European Law series

Edited by Evangelia (Lilian) Tsourdi, Assistant Professor and Dutch Research Council grantee (NWO VENI and NWO Hestia), Faculty of Law and Maastricht Centre for European Law, Maastricht University, the Netherlands and Philippe De Bruycker, Professor, Jean Monnet Chair and Coordinator of the Academic Network for Legal Studies on Immigration and Asylum in Europe, Faculty of Law, Université libre de Bruxelles, Belgium

This important Research Handbook provides a holistic analysis of the development of the European Union's migration and asylum policies. It comprehensively examines facets of each policy, including insights from cutting-edge research and an in-depth analysis of their development, whilst also identifying future policy orientation.

'Migration and asylum law is now firmly established as one of the core areas of European Union law. In this volume, Tsourdi and De Bruycker have brought together all the leading experts in the field and have asked them to explore the subjects they know best. The volume as a whole offers a remarkably thorough and stimulating panorama of the field.'

– Bruno de Witte, Maastricht University, the Netherlands

'A gold mine. Such is this book. Under the supervision of Prof. Evangelia (Lilian) Tsourdi and Prof. Philippe De Bruycker, this Research Handbook on EU Migration and Asylum Law brings together the best scholars of Migration and Free movement in European Law. With 22 thematic chapters, preceded by a general chapter presenting "The Evolving EU Migration and Asylum Law", it provides a comprehensive overview of current and future issues in European migration law and policy.'

– Jean-Yves Carlier, UCLouvain, Belgium

'This Research Handbook, by a group of prominent legal scholars, affords a cutting-edge and sophisticated analysis of EU migration and asylum law. The individual contributions are framed by an elegant introductory chapter, which traces the historical evolution of migration and asylum law, maps out the legislative, administrative, and external aspects of the law, and sketches future prospects. This volume is essential reading for anyone seeking to understand today's highly charged policy and legal debates on migration and asylum in the EU.'

– Francesca Bignami, The George Washington University, US

'This Handbook provides an impressively comprehensive analysis of the EU's approach to migration, displacement and mobility. Featuring contributions from senior and emerging scholars alike, it is a must-read book for anyone keen to understand the historical and contemporary intricacies of this complex area of law and policy.'

– Jane McAdam, University of New South Wales, Australia
