Ratings

Absent students will be assessed only through the "Individual written work" activity, and their final grade will be 100% formed by the grade of this activity.

Evaluation in regular period

The grade of the pre-reading report will count in the final grade according to the stipulated percentage in case the student is present in

the session to which the reading corresponds (or is absent for a reason approved by the graduate coordination).

If the student is not present but has submitted a reading report, it will count in the final grade for half of the stipulated percentage.

The minimum passing grade is 5.0/10.0, which is composed according to the percentages mentioned in 'Evaluation Activities'.

Evaluation in extraordinary period

In subsequent calls after the first one, five reading reports and the final paper must be submitted, with the same characteristics indicated in the section "Evaluation Activities".

The minimum passing grade is 5.0/10.0, which is composed according to the percentages mentioned in 'Evaluation Activities'.
