

I declare, under my responsibility, that the Bachelor Thesis presented under the name:

CRANE'S DESIGN AND
MANUFACTURING PROCESS

in the Engineering ETS - ICAI of the "Universidad Pontificia Comillas" in the academic year2017/2018..... Is of my own authorship, original and unpublished and it has not been presented before to other intents.

The Project is not a plagiarism of another one, neither total not partially and the information que taken from other documents has been properly referenced.
