

I, hereby, declare that I am the only author of the project report with title:

Design of a cost-effective building microgrid: load modeling and optimization of
the energy performance

which has been submitted to ICAI School of Engineering of Comillas Pontifical
University in the academic year 2018/19. This project is original, has not been
submitted before for any other purpose and has not been copied from any other
source either fully or partially. All information sources used have been rightly
acknowledged.

Fdo.: Jorge Goas Martín
