Classroom Etiquette	<p>Do not use your laptops for anything except taking notes. Turn off the ringer on your mobile phone and keep it in your bag or pocket.</p> <p>All assessments other than the final exam will take place during the class period. Assignments will be due at the end of class and late work will not be accepted. In the event of illness and an inability to attend class, I will work individually with the student to schedule a make-up session.</p>
Required Co-curricular Activities	<p>Students are requested to prepare each session in advance by completing the course materials and reviewing the rubrics for grading of the in-class activities. All materials will be provided well in advance of the start of the course.</p> <p>Students' active and substantial participation during each session and particularly in the above-mentioned activities in class is required (10% of the final mark).</p> <p>Each in-class activity is accompanied by a delivered product (either a reflection paper or an analysis of an environmental issue). Each one is worth 10% of the final grade (40% of the final mark).</p>
