

## SYLLABUS

Course	
Name	Signature 18: Master's Final Dissertation (Course 5. Master's Final Dissertation)
Degree	Official Master's Degree in International Migration
Year	2020-2021
Duration	Annual
ECTS credits	6
Character	Obligatory
University	Comillas Pontifical University
Professor/Author	Nuria Lores

### COURSE SPECIFICS

Context of the course
<p><b>Summary</b></p> <p>Master's Final Dissertation is a personal project in which students must demonstrate mastery of a subject and know how to organize it, structure it and present it, according to the characteristics of an academic or scientific work specification. The topic must be relevant and located in the field of international migration.</p> <p>The development of the subject has three fundamental moments: the delivery of a research proposal (chosen theme, provisional index and basic bibliography), the deposit of work to master and his public defense.</p>

Competences – Goals
<p>CB-1 To gain knowledge in different topics of migration. Students must support in advanced readings and texts about human mobility and international migrations.</p>
<p>CB_02 - To be able to apply and integrate their knowledge in the field of human mobility and international migration, to understand these issues and its scientific basis. Students must develop their troubleshooting capabilities in new environments don't define specifically, in multidisciplinary contexts with researchers and highly specialized professionals.</p>
<p>CB-03- To be able to manage adequate information, searching and analysing different data sources. To know synthesise and analyse relevant data to make judgments that include reflection on relevant</p>

issues about social, scientific or ethical topics, related to the field of human mobility and international migration.

CB\_04 - To be able to inform specialists and non-specialists partners in international migration and human mobility, about information, ideas, problems and solutions of these topics

CB-05 - To develop sufficient autonomy to participate in research projects and scientific collaborations about international migration and human mobility, in interdisciplinary contexts.

CB-07- To take responsibility for their own specialization and professional development, in the field of international migration and human mobility.

CE-8 To develop learning skills to carry out research about of international migration and human mobility during the professional career.

CE\_21 To make and present, once obtained all the credits of the curriculum, a Job Master Thesis, consisting of an original research on any aspect of migration.

#### Learning outcomes:

- To identify and analyze an issue related to migration and human mobility.
- To apply the knowledge acquired in the master integrated manner.
- To plan the development of a project by choosing adequately the resources and methodology to be used.
- To get as much empirical data from secondary sources for research.
- To develop own research and creative.
- To present research work to the Coordinator of Master's Final Dissertation.

#### Contents and modules

- Completion of work: This will consist in developing a research than 8,000 words.
- Supervision of research: at least two meetings with the Director of work and discussion of the results.
- Follow-up sessions of Master's Final Dissertation: serve sharing between students and monitored by the coordinator final dissertation projects.

Learning activities	Hours per course	Classroom Courses (hours)
<b>AF 8. Realization of Master's Final Dissertation.</b> Requires submission of a project and the development of research methodologies and social intervention used in the field of migration.	180hs.	0%
<b>AF 9. Supervision.</b> Regular meetings with the director of the work and discussing results.	6hs.	
<b>AF 10. Follow-up sessions.</b> Serves sharing between students and monitored by coordinator of Master's Final Dissertation.	2hs.	10%
Evaluation system of signature	Minimun weights	Maximun weights
<b>SE- 6.</b> Evaluation of work of Master's Final Dissertation.	20%	
<b>SE -7.</b> Evaluation of Follow-up sessions.	40%	
<b>SE-8.</b> Evaluation of quality assessment and conclusions Master's Final Dissertation.	40%
