## TEACHING METHODOLOGY

### General methodology of the subject

#### Contact hours methodology: Activities

Socratic pragmatically-oriented method: the course is based on active methodologies and strongly rely on EU regulations, the case-law of European courts and international conventions. The format followed for this part of the programme shall not be a lecture, but a discussion and general participation by the students commenting on the regulations, judgments and articles suggested by the instructor.

Attendance at class is compulsory.

#### Outside class methodology: Activities

Every student is required to attend the teaching sessions and to do the preparatory work. The instructor will provide the students with a syllabus comprising the most relevant materials (regulations and case-law) and a concrete schedule of review for these materials. In order to follow the presentation it is necessary to have examined beforehand the relevant statutes and case-law, as well as relevant articles of doctrine to which the student is directed to for each session according to the bibliography provided
