SPECIFIC DATA OF THE SUBJECT

Contextualization of the subject
Contribution to the professional profile of the degree
<p>The Strategic Planning course aims at helping students develop the ability to work within complex and dynamic organisational environments; it offers them a chance to explore and understand key issues of business management, and more concretely of strategic management.</p>

The Strategic Planning course represents the first step of the Strategic Management tuition area; therefore, within the MBA curriculum, this course is followed by "Strategy in Action", "Consulting" and "Corporate Governance" courses which are also core courses of the MBA degree. The Strategic Planning course is also strongly related to all the elective courses of the Management track of the MBA curriculum.

TEACHING METHODOLOGY

General methodological aspects of the subject

In-class Methodology: Activities

Lectures

Instructors will promote debate during theoretical lectures. CG01, CG02, CG03, CG04, Syllabus 2020 - 2021
Students must come to lectures with all the pre-reading done. Attendance and participation are essential requirements for the effectiveness of the lecturing sessions.

CG01, CG02, CG03,
CG04, CG05, CG06,
CG08, CG09, CE01

Study case/case analysis

Students will work individually on case analysis. They will work in group on a semester-long study case based on a real quoted company. These activities will allow students use and apply all tools and theories into real business cases and situations. Students must come to the group work sessions with all the pre-reading done. Attendance and participation are essential requirements for the effectiveness of the group work sessions.

CG01, CG02, CG03,
CG04, CG05, CG06,
CG08, CG09, CE01

Oral Presentations

Each group of students will be compelled to present the study case they have been working on at the end of the semester. They will present it to the rest of the class as well as to the course instructors. Attendance and participation are essential requirements for the effectiveness of the presentation sessions.

CG05, CG08

Non-Presential Methodology: Activities

Group work outside the class: A Case Study

Students will study the strategic planning work and outcomes of a real quoted company. This activity will allow students to use and apply all tools and theories to real business cases and situations. Assignments will be fixed so that each group of students will make periodical deliverances of their pieces of work

CG01, CG02, CG03,
CG04, CG05, CG06,
CG08, CG09, CE01

Individual study and reading

Each student will need to organise their time outside the class in order to do all the pre-readings of each session, and in order to profoundly study the subject: they will have to understand, elaborate, retain and assess all concepts, theories and tools presented and worked in class. The course instructors will recommend some complementary reading.

CG01, CG02, CG03,
CG04, CG08, CG09, CE01

Tutoring

Students will have a chance to meet with the course instructor individually and outside the class if required. These tutorial sessions will help students solve problems and uncertainties faced regarding the course contents, activities and assessment.

CG01, CG02, CG03,
CG04, CG05, CG06,
CG08, CG09, CE01

Collaborative learning

As students will have to work in groups, each of them will have a chance to develop interpersonal working skills while collaborating with their group mates.
