SPECIFIC DATA OF THE SUBJECT

Contextualization of the subject

Contribution to the professional profile of the degree

European integration and globalization are matters of great importance related to the linguistic and communicative competence in English language. The subject English for Education I provides students with a basic and instrumental knowledge of the English language. Working on the four skills, the subject aims at reviewing students' prior knowledge of English and reinforcing initial fluency. The level of competence to be achieved by the students as regards the four skills will range from B1 to B2. Moreover, this subject will help future graduates achieve a good communicative competence in English language and be able to know and apply the appropriate methodological tools and strategies for teaching English in Primary Education.

Prerequisites

All the lectures will be taught in English therefore students are expected an intermediate level of English.
