Final thesis

Competencias - Objetivos

Resultados de Aprendizaje

- Develop Independent Research Skills:** Conduct a rigorous, original study on a relevant topic within international security management, demonstrating the ability to work independently.
- Enhance Critical Analysis:** Apply theoretical frameworks and methodologies to analyse complex security challenges and propose evidence-based conclusions.
- Master Research Methodologies:** Utilise appropriate qualitative, quantitative, or mixed research methods to structure and execute a comprehensive research project.
- Strengthen Policy and Strategic Thinking:** Formulate research-based recommendations with practical implications for policymakers, security professionals, and organisations.
- Communicate Findings Effectively:** Present research results in a clear, structured, and academically rigorous manner, both in writing and orally, demonstrating proficiency in academic argumentation and security discourse.

BLOQUES TEMÁTICOS Y CONTENIDOS

Contenidos – Bloques Temáticos

- Research Design and Methodology:** Defining research questions, selecting methods (qualitative, quantitative, or mixed), data

collection and analysis.

2. **Theoretical and Conceptual Frameworks:** Application of security studies, risk management, international relations, or policy analysis theories.
3. **Case Studies and Empirical Research:** In-depth exploration of specific security challenges, regional or global threats, and institutional responses.
4. **Ethical and Legal Considerations:** Addressing data protection, research ethics, and compliance with security-related regulations.
5. **Policy Implications and Strategic Recommendations:** Connecting academic research to real-world security challenges and proposing actionable insights.
6. **Thesis Writing and Presentation:** Structuring, drafting, and defending the final research project.

METODOLOGÍA DOCENTE

Aspectos metodológicos generales de la asignatura

Metodología Presencial: Actividades

Regular meetings with the tutor.

EVALUACIÓN Y CRITERIOS DE CALIFICACIÓN

Evaluation	(%)
Final submitted document	50%
Evaluation of the process of writing up the thesis	50%

BIBLIOGRAFÍA Y RECURSOS

Bibliografía Básica

TBC for each thesis.
